Minutes:

- Motion to approve-Ron, 2nd Larry motion passed

Old Business:

- Huron River fishing trip: six of us showed up. Next year we should get in the water earlier and go out to eat afterward. A possibility to get more interest would be to have another fishing trip. Perhaps have a fly fishing outing behind the Hamilton Dam. Talk to Brent Nickola to find out the cost of canoe rental.
- The Bent Hook Newsletter got printed and got good reviews. I can possibly get better rates through one of the printers that CAER uses.
- Banner: Dave sent an e-mail that the club banner is ready and we need to pay Dave for it.

New Business:

- Winter Speaking Lineup ideas: Greg will talk to Jerry and see if we can't get a lineup. We talked about our previous speakers and Mike suggested a taxidermist.
- Fly tying class: we need to talk to Jerry and see if he is interested in teaching a full beginners class and some shorter advanced classes.
- Fly rod building class: I'll make sure we can still get the blanks, find out the details of the rod sizes and Greg will teach it. What if we get more than 12 people interested.
- Special events: Macomb fly show on March 10-11; we should get a group of us together to go down there. Mason show on December first; if I can, put up the banner at my table and put out advertisements.
- Board nominations: The nominating committee shall be Gabe, Ron, and Greg.
